ZERO WASTE SOCIETY OF INDIA

### About the conference

Welcome to WEEHtec-2026, India's premier technical forum dedicated to the critical intersection of Water, Energy, Environment, and Health. In the heart of India's tech capital, Bengaluru, we bring a sharp focus on actionable technology, innovative engineering, and scalable solutions. This is where groundbreaking research meets commercial application, fostering collaborations that will define the next decade of sustainable development

### Connecting Expertise and Entrepreneurship

Water professionals and products and services suppliers come to WEEHTEC year after year to participate in world-class education opportunities and for the overwhelmingly positive sense of community shared among all in attendance. It's the best chance to view innovative water quality technologies up-close and learn, share, and connect with representatives from almost every segment within the water sector.

Water, Energy, Environment & Health  
Technical Exhibition & Conference

**WEEHtec - 2026** The Must-Attend Annual Conference of the Worldwide Water Community

## EXHIBITING INFORMATION

### Circular Water Economy Pavilion

This pavilion is dedicated to systems that optimize and recover valuable resources from water and wastewater in ways that fight climate change, support equitable economic development, and ensure water services for all includes the following areas:

- Industrial Sustainability
- Energy Efficiency and Decarbonization
- Green Infrastructure
- Distributed Infrastructure
- Desalination and Side-Stream Products
- SDG Theater

### NEW! Advanced Technology Solutions Pavilion

The Advanced Technology Solutions Pavilion showcases digital-based technologies and practices to aid practitioners in designing and operating water systems more efficiently and effectively. The Pavilion includes the following focus areas:

- Drones
- Cybersecurity
- Artificial Intelligence
- Virtual Reality
- Automation

<b>Foreign Delegates</b>	<b>\$.150</b>	<b>\$.200</b>
<b>Entry to doing business in America Workshop</b>		<b>Rs. 15000</b>

## Objectives & Scope

- To integrate research, technology and practical solutions across Water, Environment, Energy, Sustainability, Health, Management, Society.
- Bringing together a wide range of stakeholders, scientists, academicians, engineers, consultants, policy makers, social scientists, etc. to share knowledge and expertise.
- Topics include, water resources research, climate change impacts, ecosystems & human health, sustainable land use, integrated resource management, green economy, disaster management, environmental management, etc.

## TOPICS

### Water Resources

- Flood Inundation Model
- Groundwater
- River Basin Development
- GIS & Remote Sensing
- Isotope Hydrology
- Wetlands
- Aquaculture
- Interlinking of Rivers:..

### ENVIRONMENT

- Modeling Pollution
- Human Health Impacts
- Wastewater Treatment
- Industrial / Biological / Hazardous Waste Treatment & Management
- Risk Assessment & Management

### ENERGY

- Conventional and Non-Conventional Energy
- Clean Technology
- Energy Generation
- Energy Policy
- Economics of Water Resources Development Management

### GEOINFORMATICS

- Geospatial Data Acquisition and Analysis
- Urban Planning G
- Geospatial Integration
- Geo-AI Modeling

### RISK ASSESSMENT

- Disaster Risk Reduction & Risk Awareness
- Climate Resilience & Adaptation
- Coastal Vulnerability and Adaptation Strategies
- Urban Multi-Hazard Risk Assessment and Mitigation

### CLIMATE CHANGE

- Causes of Global Warming
- Assessment of Climate Change
- Implications of Climate Change for Agriculture / Water Resources / Energy / Human Health / Ecosystems / Society

**Developing Resilient Health Systems**

**Managing Carbon-Waste Management-Circular Economy**

**Digital Technologies for Waste Management**

**Innovations and Business Opportunities**

**Doing Business in the USA Workshop**

**Water Policy and New Initiatives for Water Conservation**

# Programme Schedule

## February 08, 2026 Sunday

**Place / Hall:** THE CHANCERY PAVILION / Century Club BANGALORE

18-00 - 22-30

Meet & Greet : Welcome Dinner of Conference

## February 09, 2026 Monday

**Place / Hall:** Jnana Jyothi Auditorium, Palace Road Bengaluru

09.00-10.00

REGISTRATION

10.00-11.30

INAUGURAL SESSION

11.30-11.45

HIG -TEA

11.45-13.30

PLENARY SESSION-1  
Waste Water / Storm Water / Business Opportunities

13.30-14.30

LUNCH

14.30-16.30

Technical Session -1  
Zero Waste Workshop

Technical Session -2  
One Health Workshop

16.30-17.00

TEA BREAK

17.00-18.30

Technical Session -3  
One Energy Workshop

Technical Session -4  
One Water Workshop

18.30-20.30

CULTURAL PROGRAMME

## February 10, 2026 Tuesday

**Place / Hall:** Jnana Jyothi Auditorium, Palace Road Bengaluru

09.30-11.00

Technical Session -5

Technical Session -6

11.00-11.30

TEA BREAK

11.30-13.30

Technical Session -7

Technical Session -8

13.30-14.30

LUNCH

14.30-16.30

Technical Session -9  
Zero Waste Workshop

Technical Session -10
